ADULT EDUCATION

Assessing the effects of older adult education on subjective well-being 523

ATTITUDES TOWARD AGING

Children's attitudes toward the elderly: An intergenerational technique for change 291
Effectiveness of a workshop on aging in changing middle-aged adults' attitudes toward the aged 359
Gerontological knowledge and attitudes of students of religion 435
Sex stereotyping of the elderly by children 77

ATTITUDES OF THE ELDERLY

Elderly persons' attitude toward children 493
Musical preferences of older people attending nutrition sites 155

CAREERS IN AGING

Future careers in aging: Integration or specialization? 455
Who works with the elderly? A study of personnel in gerontological settings 259

DEATH AND DYING

Short-term programs on death and dying and aging: A review of selected literature 565

EDUCATION ABOUT AGING

Aging education in the public schools: A global perspective 537
Education about aging for Nigerian adolescents 353
The impact of a gerontological intervention on osteopathic medical students 373

EDUCATIONAL NEEDS AND INTERESTS

Analysis of research concerning free and reduced tuition programs for senior citizens 575

Educational orientations of the aged: An attitudinal inquiry 473
Elderly interests in the expressive domain 143
Older adult art students: Descriptive data for community program planning 129
Third age education: Questions that need asking 311

EDUCATIONAL PARTICIPATION

Educational opportunities for the elderly in industrialized countries outside the United States 395
Three older learners: Reasons for participating in museum art classes and the personal meaning of learning 183

GUIDANCE AND COUNSELING

Dance as a therapeutic intervention for the elderly 167
Older adults as peer counselors: Considerations in counselor training with the elderly 53
Overcoming learned helplessness in elderly clients: Skill training for service providers 507

HEALTH EDUCATION

Accidental hypothermia among the elderly: An educational prevention program 325
Health education techniques for dense residential settings 381
Higher education for the second half of life: The state of the art and future perspectives 545

HIGHER EDUCATION AND GERONTOLOGY

Attitudes and problems of elderly students in the university system of Georgia 87
Education for older adults: Out of the college and into the community 243
Preliminary findings on designing higher education programs for older people 463
The senior citizen as college student 43
Support services for older adult tuition programs 269

INSTRUCTIONAL APPROACHES

Some thoughts on attitudes: A starting point for creative work with the elderly 175

LEARNING RESEARCH

Creativity in adulthood and old age: An exploratory study 101

The effect of semantic processing on memory of subjects differing in age 1
Functional literacy among the elderly: Where we are(n't) 339
Individual variability in memory training with the elderly 217
Program related learning characteristics of adult students in art production courses 117

POLICY

The arts and the aging advocacy movement in the United States: A historic perspective 195

RESEARCH AND TRAINING

Community-based settings for training in geriatric medicine 585
Computer applications in gerontological research: Implications for research training 417
In-service training in gerontology: A case study of statewide needs assessment 63
A modular course approach to in-service and pre-service training in gerontology 9
New directions for education and training in gerontology 251
Training for interpersonal communication: A transactional perspective 231

TESTING THE ELDERLY

Adulthood and reminiscence: A descriptive study 275
Perceived choice of prose materials by young and elderly adults 447

WOMEN

Clothing preferences of older women: Implications for gerontology and the American clothing industry 485
Middle-aged and older women in print advertisements 25
